**501c3 Non-profit Public Charity**

**Federal EIN: 81-1491714**

To Potential Sponsor,

27th November 2020

Hello, my name is Dale Glossenger, and I am the President for the American Football Events Team USA All-Star organization. AFE Team USA is a federally registered public charity nonprofit 501c (3) program and utilizes football as a platform in giving back to the local communities.

AFE (American Football Events) TEAM USA All-Stars will provide an opportunity for players, coaches, and staff to further their football experience beyond the secondary level of minor league and recreational football. We strive to help anyone gain the opportunities to further their careers, through playing all-star games, filming of games, networking, and off field work doing community involvement. This will include holding kid camps, visiting disabled children, adults, nursing homes, etc. "The International language of love is a Warm Smile" ...

Our upcoming event January 13<sup>th</sup> thru 17<sup>th</sup>, 2021 we will begin our "**Care2Share**" program. We will assemble and put together 200-300 **blessing bags**. Each bag will be filled with essential things for men, women, and children. Each player and coach present will take a 3x5 card and write words of encouragement to be added to the bag.

Some facts about homeless: Last year, 17 out of every 10,000 people experienced homelessness, these equates to approximately 567,715 people. COVID-19 is creating a health and economic crisis in America and throughout the world. It is too soon to determine its ultimate impacts.

WE ask you for product donations, or monetary donation towards the purchase of items to help fill these bags. The Blessings this program will give to the homeless and people in need during this time is beyond measure.

ITEMS to consider:

soap, deodorant, shampoo, toothbrush, toothpaste, socks, hand sanitizer, female sanitary items, wet wipes, crayons for kids, facemasks, snacks, McDonalds gift cards, hand warmers, pens, and notepads.

It is our desire to find the Partnerships, Donations, and help needed for this great program "Care2Share". If you have any questions or comments, feel free to reach out to us at any time.

Sincerely,

Dale Glossenger,  
President, American Football Events USA
